2024 Construction & Renovations

In August of 2023, we announced a redevelopment project to renovate existing public housing units. The primary goal of this project was to renovate 332 current public housing units at five sites in Hamilton, and 361 current public housing units at five sites in Middletown. The average investment in each unit was estimated to be \$150,000, and put them in “like-new” condition.

As of December, 2024, we have made significant progress in a number of these units as illustrated in some of the photos included in this year’s calendar.

We appreciate your continued patience during this renovation, as we continue our work well into 2025.

Greetings from BMHA

On behalf of Butler Metro, we would like to take this opportunity to wish each of you a healthy, happy and safe new year.

2024 was a big year of big changes at BMHA. As part of the RAD (Rental Assistance Demonstration) program, we began to refurbish or redevelop 700 units and will continue that work into 2025.

As always, we are committed to providing the level of service you have come to know. Though some challenges may continue, we look forward to 2025 and beyond.

We hope that this calendar will provide useful information as you manage your everyday life.

Sincerely
Ben Jones
Executive Director
